

Prepare the natural nail for application.

Remove shine from the natural nail with a medium to fine abrasive.

Apply 2 coats of Protein Bond.

Apply the custom builder gel (Frosted pink, Clear sculptor, Crystal glitter mix) to the body in reverse application.

Cure in 36 watt light for two minutes.

Apply Artistic Nail Forms.

Apply a thin layer of Base flush to the natural free edge.

Cure for 30 seconds.

Carefully remove nail form.

Apply White Sculpture evenly on the clear free edge.

Cure in the 36 watt light for two minutes or one minute in the LED.

File into shape.

Apply Finish and cure for two minutes in 36 watt light.

Apply Rose oil to cuticle and hyponicium.
